

HOW TO Search Code Enforcement Cases

Visit apps.gov-easy.com to follow the steps below.

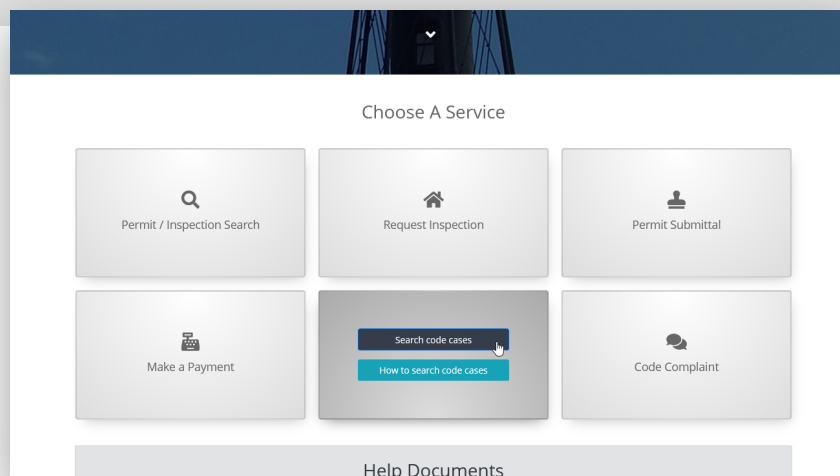

Step 1

Type in the name of the municipality from which you want to search cases. Select from the results below.

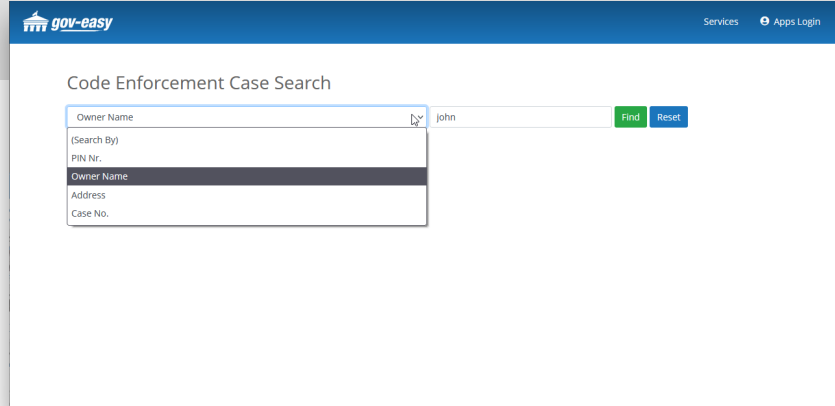

Step 2

On the services screen hover over "Search Code Cases" and click on "Search code cases".

Step 3

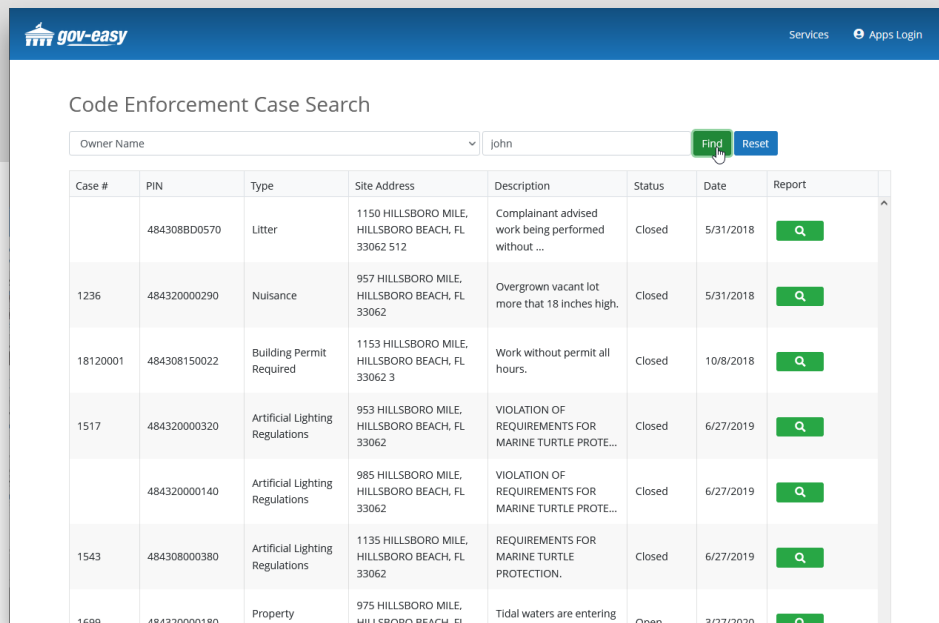

On the Code Enforcement Case Search window, select the search type and enter the criteria, then select “Find”.

The screenshot shows the 'Code Enforcement Case Search' window. The search criteria dropdown menu is open, showing options: (Search By), PIN Nr., Owner Name (selected), Address, and Case No. The search term 'John' is entered in the search box, and the 'Find' button is highlighted.

Step 4

A list of code enforcement cases with the matched criteria will appear below. Select the report you want to view by clicking on the magnifying glass button.

The screenshot shows the 'Code Enforcement Case Search' window with a list of search results. The 'Find' button is highlighted. The table below contains the search results.
