

HOW TO Search for a Permit

Visit apps.gov-easy.com to follow the steps below.

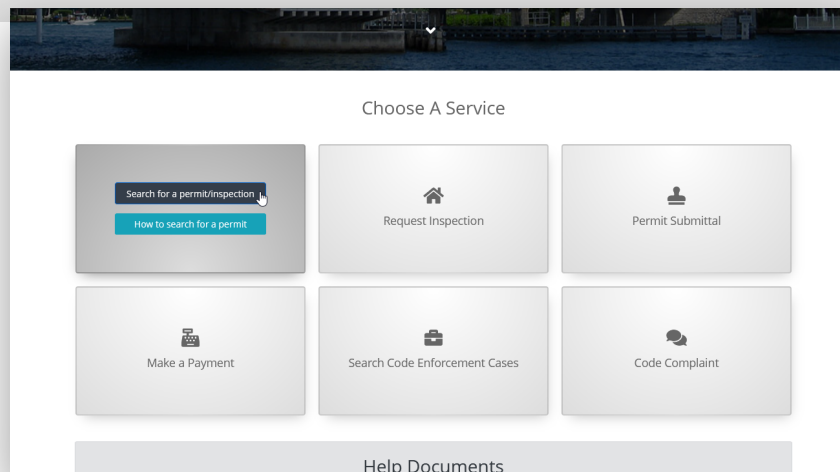

Step 1

Type in the name of the municipality from which you want to search permits. Select from the results below.

Step 2

On the services screen hover over "Permit/Inspection Search" and click on "Search for a permit/inspection".

Step 3

Select the type of permit, search operation, and search criteria. Click on the plus sign to add further search criteria. Finally, type in the security code displayed and click “Find”.
